

Training Overview & Summary:

The HFI Disaster Response Training Intensive consists of two days of preparation for domestic service with HFI. This training is required to be qualified as a **Hope Force Reservist** - eligible for rapid deployment - often within 24-48 hours following a disaster event. The training consists of live speakers, as well as teaching filmed exclusively for Hope Force.

The program covers the following topics to prepare the Reservist for the spiritual and practical dynamics of disaster response:

- **Identity in Christ for the disaster responder** - Dan Sneed
- **Foundations of emotional & spiritual care (ESC)** - HFI Staff
- **Building an effective team** - Jerry Rushing
- **Maintain and avoid team conflict during a crisis situation** - Jerry Rushing
- **Core principles for effective ministry** - HFI Staff
- **How to be an appropriate caregiver** - HFI Staff
- **What to expect when responding** - HFI Staff
- **Disaster Response Principles** - HFI Staff

Upon successful completion of the training, graduates will be certified as **Hope Force Reservists**.

Who We Are

Hope Force International (HFI) is a Christian response to the need that surrounds us at home and abroad, reaching out to those who experience suffering and loss. As a leading non-profit organization dedicated to disaster response, HFI is comprised of individuals who are dedicated to utilizing their expertise to inspire, equip and empower thousands of volunteers to intervene in areas of crisis around the world.

What We Do

The motivating purpose of Hope Force is to equip willing responders and mobilize them onto pathways of service. **HFI trains volunteers in advance** so they are prepared and allowed to respond, often in restricted areas, when disaster strikes.

Our Mission

To alleviate suffering caused by disasters and chronic human need by stimulating the global Christian community into compassionate action.

Extended Training & Preparedness:

We strongly recommend that all Reservists take First Aid/ CPR. Most cities or communities around the country provide for their citizens in these basic skills. Hope Force also recommends at least two designated Salvation Army* courses following the HFI Training Intensive course:

- Introduction to Disaster Services
- Training for Mobile Feeding Units and Social Services
- First Aid/ CPR (with certification)

*HFI and the Salvation Army have been national partners since 2005, and often work together across the United States and at times, internationally.

You can call us with questions at 615.371.1271 or contact us by email: sue.duby@hopeforce.org. We hope to see you at the Indianapolis, IN HFI Training.
